

Poet Grain is excited to announce the launch of our new mobile app! You will be able to find this app in your Apple or Google play store on your mobile device.

Here are some of the features that you can look forward to:

- Receive/Send Contracts
- View Contract Details
- View Ticket Details

If you are interested in this option, we need to collect your signature in advance to have on file for our records and grain audits. You can call our office at 866-385-2729 or email tracy.roberts@poet.com to get the mobile app form.

IF you have already sent in your form, go to the App Store on your mobile device. Search POET Grain. Download that app. It will ask you for your mobile number. Enter that. It will send you a text with a 4 digit code. Enter that code and you are good to go. The tickets and contracts are live. You can view bids there also. We can also send you contracts and you can E-Sign and send those back through the app.

If you need further help or have any questions, please contact me.

Thanks!
